Other Affiliations: Children and Youth, Education

The Literacy Council

Focuses on reducing the illiteracy rate in Walker County by offering adult tutoring, children's prevention services, and young adult activities. www.literacy-council.org

Adult Literacy Training:

Through tutor training, which teaches potential tutors how to test and tutor adult learners, tutors and learners come together to improve or begin a learner's journey to literacy. Sessions are at least once per week for one to two hours in a provided location. Training and all supplies are free to both the tutor and the learner.

Walker County Reads:

Places volunteers in city and county schools to provide elementary-aged children an opportunity to have someone to practice their reading skills with or to get additional help with their skills if needed.

Junior Board:

Consists of ten young people who are dedicated to upholding and furthering the mission of The Literacy Council, and who serve as volunteers for a variety of community programs and events, including children and peer tutoring.

"Daddy and Me" Dance:

Annual fundraiser and awareness dance for fathers and their daughters held on the Thursday before Valentine's Day. Books are given away, as well as promotional materials. All ages are welcome. No mothers allowed.

Contact: 205-387-0511 ext. 5792

University of Alabama at Birmingham Department of Theatre Tours

The following tours are available for booking on Fridays only (www.uab.edu/cas/theatre):

Alice in Wonderland:

Alice's plummet down the rabbit hole introduces her to a host of outlandish characters, ingeniously played by four actors. Appropriate for: Grades K-6. Running time: Approximately 45 minutes.

Cabaret Tour: Cinemagic! Hollywood's Best Movie Music:

Celebrate the silver screen with an exciting revue spanning decades of movie magic. Appropriate for: All grade levels, retirement communities, and other adult facilities. Running time: Approximately 40 minutes.

Kids on the Block Presents "Dealing with Bullies":

A program on dealing with bullies raises questions and offers solutions about the age old problem. All of the questions are addressed in an insightful and challenging program. Appropriate for: Grades K-4. Running time: Approximately 40 minutes.

Shakespeare's A Midsummer Night's Dream:

The hilarious highlights of the Bard's enchanting comedy are presented by a company of five actors. Young lovers find their lives complicated by feuding faeries, magic, and mayhem. Appropriate for: Middle Schools, High Schools, retirement communities, and other adult facilities. Running time: Approximately 50 minutes.

The Tolerance Project:

Being a student in today's world presents more challenges than ever. The innovative Tolerance Project explores behaviors, choices, and consequences in the middle and high school arenas. Actors lead discussions after each scenario to help foster awareness in students of the power of their actions, words, and thoughts – an excellent addition to diversity and tolerance strategies explored in the classroom. Appropriate for: Middle and High Schools. To encourage discussion, The Tolerance Project works best for audiences of 50 students or less. Running time: 50 minutes.

Other Affiliations: Children and Youth, Education, Senior Citizens

Walker County Arts Alliance

Promotes cultural arts and the awareness of arts to the citizens of Walker County through a variety of cultural arts programs. www.artsofwalkercounty.org

50-Mule Team Public Art Project:

Working with local artists and sponsors, 60+ painted and decorated mule statues now reside in Walker County at local businesses. A Mule Map is available to residents, visitors, or tourists who wish to view the mules and to learn about mules and the part they have played in area history.

Art in the Park:

A juried art show held at Gamble Park with over 70 artists from around the southeast – primarily Alabama – to expose area residents to the creative efforts of local and regional artists, as well as adding to the cultural climate of the community. Children's activities, dance troupes, live music, and performing arts are available throughout the day.

Dinner Theatre:

Fundraiser for the Arts Alliance that provides an opportunity to showcase local theatrical talent.

A Tasting of the Arts:

A gallery showing of artwork from one or two artists, combined with beverage and food tastings from local restaurants.

Healing Arts and Focus on Art:

Benefits children and adults by partnering with the Walker Baptist Medical Center to display artwork by local artists in the lobby and other public areas of the hospital, and by providing public displays of local artists' work in other locations in Walker County.

Jazz in the Park and Blues in the Park:

Free concerts held at the Bankhead House and Heritage Center.

Contact: 205-221-1711

Other Affiliations: Education

Walker County Christian Chorus

Annually presents Handel's "Messiah" as a Christmas gift to the community. The 80+ voices of the chorus are accompanied by members of the Alabama Symphony Orchestra and are under the direction of Dr. John Stallsmith. A children's chorus also performs a selection.

Rehearsals are held from 7:00 - 9:00 p.m. every Monday night beginning with the last Monday of September, continuing until the performance which is given the first Monday of December.

Jasper Area Family Services Center, Inc.

Coordinates community resources that empower individuals and families for success. www.jafsc.org

Parent Project:

Helps parents learn effective prevention and intervention techniques in dealing with childhood behavior problems. 8 to 10 week training programs for adults and children that address choices and consequences, out-of-control behavior, school performance, and other issues.

Baby TALK:

Parent Advocacy Program designed to encourage parents in the nurturing of infants and toddlers that provides activities and information on basic development during the first 3 years of life, encourages literacy, provides hospital visits, and distributes books, newsletters, and other nurturing activities to parents.

HIPPY (Home Instruction for Parents of Preschool Youngsters):

In-home instruction helping prepare children to be successful in school designed for families with children ages 3 and 4 through a partnership with the Walker County Board of Education.

Motherhood:

A communication and awareness program for moms to help improve relationships they have with fathers, for the benefit of the children.

Fatherhood Initiative:

Assist non-custodial parents by teaching and practicing skills that enhance their ability to meet financial responsibilities and maintain nurturing relationships with their children. Reinforce the rights and responsibilities of being a parent by offering case management and classes.

Cooperative Parenting:

Designed for parents no longer together. The focus is how to get along for the benefit of the child or children.

Cooperative Generations:

Designed for grandparents who have received temporary custody of grandchildren and parents who are attempting to regain custody. The focus is how to get along for the benefit and care of the children involved.

Youth Advocacy Program:

Empowers youth and families by establishing relationships and working with community partners.

Second Opportunity System:

Assists out of school youth (ages 16 to 24) in obtaining education, skills, and training needed to become successful, employable adults. Services include GED, work experience, mentoring, counseling, career assessment, and job placement.

Employment Preparation Services:

Prepares qualified participants for job market through life skills, job skills, job ethics, mock interview, resume writing, and job search activities.

GED:

Provides one-on-one support in remedial study aimed at obtaining the GED certificate. Services people ages 17 through adulthood at Beville State Community College.

The Alabama Career Readiness Certificate:

Reports an individual's Applied Mathematics, Locating Information, and Reading for Information Skills in relation to the level of skills needed in 80% of the jobs and occupations contained in the ACT's Work Keys national database. Many employers find these Work Keys scores helpful in determining applicants that demonstrate specific job skills.

Defensive Driving:

A National Safety Council 4-hour class

Court Referral Education Programs (Level I, II, and Juvenile):

Teaches the risk and consequences of alcohol and drug abuse and provides opportunities for participants to develop a plan to avoid future problems with alcohol and other drug abuses.

Y.E.S.:

A behavior modification program designed to address shoplifting behavior among teens and to prevent and intervene on potential destructive choices/behaviors.

University of Alabama at Birmingham Department of Theatre Tours

The following tours are available for booking on Fridays only (www.uab.edu/cas/theatre):

Alice in Wonderland:

Alice's plummet down the rabbit hole introduces her to a host of outlandish characters, ingeniously played by four actors. Appropriate for: Grades K-6. Running time: Approximately 45 minutes.

Cabaret Tour: Cinemagic! Hollywood's Best Movie Music:

All rights reserved to and property of the Walker Area Community Foundation (WACF).
Please contact the WACF Administrative Coordinator to submit additions or changes at 205-302-0001.

Celebrate the silver screen with an exciting revue spanning decades of movie magic. Appropriate for: All grade levels, retirement communities, and other adult facilities. Running time: Approximately 40 minutes.

Kids on the Block Presents “Dealing with Bullies”:

A program on dealing with bullies raises questions and offers solutions about the age old problem. All of the questions are addressed in an insightful and challenging program. Appropriate for: Grades K-4. Running time: Approximately 40 minutes.

Shakespeare’s A Midsummer Night’s Dream:

The hilarious highlights of the Bard’s enchanting comedy are presented by a company of five actors. Young lovers find their lives complicated by feuding faeries, magic, and mayhem. Appropriate for: Middle Schools, High Schools, retirement communities, and other adult facilities. Running time: Approximately 50 minutes.

The Tolerance Project:

Being a student in today’s world presents more challenges than ever. The innovative Tolerance Project explores behaviors, choices, and consequences in the middle and high school arenas. Actors lead discussions after each scenario to help foster awareness in students of the power of their actions, words, and thoughts – an excellent addition to diversity and tolerance strategies explored in the classroom. Appropriate for: Middle and High Schools. To encourage discussion, The Tolerance Project works best for audiences of 50 students or less. Running time: 50 minutes.

Walker County Children’s Advocacy Center

Serves child victims of physical and sexual abuse and neglect and strives to reduce the trauma of child maltreatment by providing a child-oriented environment for the coordination, multidisciplinary investigation, intervention, and treatment of child abuse and neglect victims in Walker County.

Forensic Interviews:

Interviews provided as needed or as requested for children who may have experienced abuse or witnessed a violent crime. Conversations are recorded for later use in the investigation and prosecution of the children’s cases. Interviews must be referred by law enforcement or the Department of Human Resources.

Multidisciplinary Team:

Meetings held monthly including representatives from law enforcement, prosecution, child protective services, mental health, and victim advocacy to investigate, intervene, and respond effectively and cooperatively to child maltreatment.

Individual and Group Counseling:

Counseling provided as needed or as requested for child victims of Walker County who have been physically or sexually abused, severely neglected, or have witnessed violent crimes.

Trainings and Awareness:

The center seeks to raise local awareness about child safety issues, specifically child abuse and neglect by participating in local educational opportunities, such as community speaking engagements and trainings for teachers, care providers, and others who work with children. Trainings are conducted as needed or as requested.

The Literacy Council

Focuses on reducing the illiteracy rate in Walker County by offering adult tutoring, children's prevention services, and young adult activities. www.literacy-council.org

Adult Literacy Training:

Through tutor training, which teaches potential tutors how to test and tutor adult learners, tutors and learners come together to improve or begin a learner's journey to literacy. Sessions are at least once per week for one to two hours in a provided location. Training and all supplies are free to both the tutor and the learner.

Walker County Reads:

Places volunteers in city and county schools to provide elementary-aged children an opportunity to have someone to practice their reading skills with or to get additional help with their skills if needed.

Junior Board:

Consists of ten young people who are dedicated to upholding and furthering the mission of The Literacy Council, and who serve as volunteers for a variety of community programs and events, including children and peer tutoring.

“Daddy and Me” Dance:

Annual fundraiser and awareness dance for fathers and their daughters held on the Thursday before Valentine’s Day. Books are given away, as well as promotional materials. All ages are welcome. No mothers allowed.

Contact: 205-387-0511

Senior Support Fund:

Provides financial assistance to help meet challenges for someone aging or disabled that they are unable to address on their own or through other community agencies.

Contact: 205-670-5770

Other Affiliations: Disability Services; Education; Health and Medicine; Social Welfare; Finances, Food

Positive Maturity, Inc.

Partnering with RSVP (Retired and Senior Volunteer Program), Positive Maturity strives to enhance, engage, and empower the older adults in our communities through social services and civic engagement, as well as health watch events, Yellow Dot Safety Program, referrals, and age-appropriate assistance as needed. www.positivematurity.org

RSVP:

Volunteer program for adults ages 55 and older in a variety of settings with diverse opportunities for the retired and senior individuals who want to be active in the community and stay socially engaged. Volunteer activities are based on community need and volunteer interests and skills. Services and activities are performed according to the volunteer's schedule.

Health Watch:

Community outreach program for seniors held quarterly at the CHS building from 9:00 to 11:00 a.m. where health information is provided by guest speakers from Walker Baptist Medical Center and other professionals within the county.

Yellow Dot:

Free program available for all citizens of Alabama that provides a Yellow Dot sticker to be placed in the rear window of your vehicle. The sticker alerts First Responders that your vital medical information is in a yellow folder in your glove compartment.

Intergenerational Quilting Program:

RSVP Quilting Volunteers teach and assist 4th, 5th, and 6th graders in the Walker County schools to design, assemble, and quilt a square using paper (4th grade), to hand-stitch and quilt a potholder (5th grade), and to quilt a full size square (6th grade). All students are eligible to go compete in regional contests and participate at booths with RSVP at Art in the Park and the Walker County Fair.

Equines Assisting Special Individuals

Provides safe and effective therapeutic riding for people with disabilities or special needs in Walker County and surrounding areas. Therapeutic riding, the most popular form of Equine Assisted Activities and Therapies is mounted horseback riding for the purpose of contributing positively to cognitive, physical, emotional, and social well-being of people with disabilities through the teaching or horsemanship skills. www.easitrc.org

Hero UP!

Assists military personnel and veterans through therapeutic riding services tailor to address specific issues faced by wounded or traumatized military personnel, encouraging the riders to live to their fullest potential. Candidates are screened for precautions and contraindications for safety. Each participant receives training in horse handling, safety, and ground work skills along with grooming, tacking, horse care and eventual riding lessons for sports/recreation.

Habitat for Humanity of Greater Birmingham

Brings people together to build homes, communities, and hope, and builds quality affordable new homes, revitalizes existing donated or purchased homes, and makes critical repairs of owner-occupied homes. To be eligible for the program the family, elderly, or Veteran's income must be between 25 and 80 percent of the Area Median Income (AMI) as defined through the U.S. Department of Housing and Urban Development. www.habitatbirmingham.org

Critical Home Repair:

Provides critical repairs for eligible low and moderate income elderly and Veteran homeowners, as well as elderly homeowners who have become disabled or have limited mobility. Typical repairs include: roof replacement or repair, plumbing/hot water heater or repair, window and door replacement, minor electric repairs, gutter replacement and repair, interior and exterior painting, installation of grab bars or railings, and ramps and HVAC replacement and repairs.

Other Affiliations: Children and Youth, Social Welfare: Food

Big Brothers Big Sisters

Provides children facing adversity with strong and enduring, professionally supported one-to-one relationships in order to achieve success in their lives by partnering with parents/guardians, volunteers, and other community members. www.bbbsbhm.org

School-Based Mentoring:

One-to-one mentoring services for children who are at risk of: dropping out of schools, drug and alcohol abuse, joining gangs, and other negative behaviors. Mentors help build self-esteem, improve grades, encourage children to make positive decisions, and inspire them to become contributing members in our community.

Impact Alabama

Engages students and recent college graduates to address community needs, empowering a generation through collaborative efforts to promote change in the communities served.

www.impactamerica.com/alabama

FocusFirst:

Provides free vision screenings to children, ages six months to five years, in Head Starts and lower-income daycares using high-tech digital screening cameras. All children failing the screenings receive free follow-up care through Sight Savers America.

SaveFirst:

Trains college, graduate, and law students to provide free tax preparation services and opportunities for savings to low-income, working families.

CollegeFirst:

Trains college and graduate students to implement a three-week, Summer Advanced Placement Institute for high-school students in Birmingham and Tuscaloosa and surrounding areas that challenges students to cultivate their skills and abilities and exposes them to the content knowledge they will need to succeed in college.

Jimmie Hale Mission

Ministers to the spiritual and physical needs of men, women, and children by sharing the gospel of Jesus Christ through a homeless shelter for men, a shelter for women and children, after-school Bible clubs, recovery programs, learning centers, and fundraising thrift stores.

Shepura Men's Center:

Men's shelter that offers Bible-based recovery classes, individual counseling sessions, group and individual Bible studies, work therapy, education remediation, and job readiness, as well as hot meals and clothing.

Contact: 205-324-2271

Jessie's Place:

Shelter for women and children that offers daily life skills training, Bible studies, case management and counseling, education remediation, and job readiness, as well as play therapy for the children's program.

Contact: 205-323-0170

Royal Pines:

16-week, in-resident recovery center for men that uses a Biblical approach to offer the chance to rise above imprisonment by drugs and alcohol and overcome life's obstacles.

Contact: 205-352-9444

Stewart Learning Centers:

Program offered at Shepura Men's Center, Jessie's Place, and Royal Pines that focuses on basic skills training, such as writing, math, budgeting; as well as literacy, GED preparation, résumé preparation, job search assistance, and job interview skills training.

Contact: Facility Director

Discovery Clubs:

Bible clubs meet in public elementary schools during after-school hours to teach the Gospel while building foundations for life, developing character, and changing our communities. Trained volunteers help children through fun, unforgettable weekly activities.

The Literacy Council

Focuses on reducing the illiteracy rate in Walker County by offering adult tutoring, children's prevention services, and young adult activities. www.literacy-council.org

Adult Literacy Training:

Through tutor training, which teaches potential tutors how to test and tutor adult learners, tutors and learners come together to improve or begin a learner's journey to literacy. Sessions are at least once per week for one to two hours in a provided location. Training and all supplies are free to both the tutor and the learner.

Walker County Reads:

Places volunteers in city and county schools to provide elementary-aged children an opportunity to have someone to practice their reading skills with or to get additional help with their skills if needed.

Junior Board:

Consists of ten young people who are dedicated to upholding and furthering the mission of The Literacy Council, and who serve as volunteers for a variety of community programs and events, including children and peer tutoring.

Positive Maturity, Inc.

Partnering with RSVP (Retired and Senior Volunteer Program), Positive Maturity strives to enhance, engage, and empower the older adults in our communities through social services and civic engagement, as well as health watch events, Yellow Dot Safety Program, referrals, and age-appropriate assistance as needed. www.positivematurity.org

RSVP:

Volunteer program for adults ages 55 and older in a variety of settings with diverse opportunities for the retired and senior individuals who want to be active in the community and stay socially engaged. Volunteer activities are based on community need and volunteer interests and skills. Services and activities are performed according to the volunteer's schedule.

Intergenerational Quilting Program:

RSVP Quilting Volunteers teach and assist 4th, 5th, and 6th graders in the Walker County schools to design, assemble, and quilt a square using paper (4th grade), to hand-stitch and quilt a potholder (5th grade), and to quilt a full size square (6th grade). All students are eligible to go compete in regional contests and participate at booths with RSVP at Art in the Park and the Walker County Fair.
