Thank you for giving us the opportunity to provide services to your family! Here is a breakdown of the documents contained in this envelope:

1. **Outpatient Application/Intake Form (6 pages)** - Please fill this out completely to the best of your knowledge, and be sure to sign all signature lines with a black “X” to the left, even if there is no applicable information. On the Records Release Authorization page, at a minimum, please write your child’s pediatrician/family doctor on this form.

2. **Acknowledgement of Receipt of Patient Privacy Notice (Pink)** - This is our acknowledgement that you have received the packet explaining the ways we protect your PHI (personal health information). Please sign and bring to your child’s 1st appointment.

3. **Patient Privacy Notice** - the packet mentioned above. This is yours to keep.

4. **Therapy Charge Listing** - This is a listing of our charges for services. Your insurance may cover your visits in total or in part, but these are the charges for each visit. Some insurances have deductibles to meet on a yearly basis. If you have any specific questions, we pull your insurance eligibility as a courtesy. You may contact Kim McCain, Billing Coordinator at 852-5600 ext. 103 with any insurance questions. Our office accepts credit cards (MasterCard and Visa), checks, or cash.

5. **UCP Services** - this page lists all of the additional services we offer, and is yours to keep. Be sure to visit our website www.ucphuntsville.org or on Facebook at www.facebook.com/ChildrensTherapyServices for more information about services and activities.

6. **Photo Release** - this form allows us to use your child’s photograph for various purposes, including fundraising events, on our website, or for public awareness of our programs at resource fairs or other events. Signing this form is voluntary, and you can revoke your permission at any time.

Please note: **First time appointments for new clients will only be rescheduled one time if missed or cancelled less than 24 hours before the appointment time.**

In order to achieve the most benefit from therapy at UCP, it is **important that your child attend regular appointments as scheduled.** If you are running late, please call us to see if we are able to work you in. **Arriving more than 10 minutes past your appointment time without notice may result in the appointment being rescheduled.**

If it is necessary to cancel your child’s scheduled appointment, we require you call at least 24 hours in advance. Appointments with our therapists are in high demand, and your early cancellation will allow another child the opportunity to be seen. **Repeated late arrival times, cancellations less than 24 hours, no shows, and excessive absences may result in a $25 charge not billable to insurance, loss of standing appointment times, and/or dismissal from UCP’s Outpatient Therapy program.** We realize that your reason for cancelling may be unavoidable and we will use our discretion in enforcing penalties.

Thank you again for allowing us the opportunity to work with your family. If you have any questions, please do not hesitate to call me at (256) 852-5600 ext. 100.

OUTPATIENT POLICY

United Cerebral Palsy Center of Huntsville and Tennessee Valley (UCP) Outpatient Program requires compliance with the following statements:

1. I agree to the evaluation and ongoing assessment of myself or my minor child in the areas of physical and/or speech and language development with the understanding that such evaluation and assessment will be conducted by personnel trained to utilize appropriate methods and procedures and will be based on informed clinical opinion and/or formal testing.

2. Prescriptions, EPSDT, and other medically necessary information must be submitted prior to enrollment into the program. I agree to assist the UCP staff in annually updating medical referrals and health status as needed. I further agree to request pertinent records as specifically authorized by my signature on appropriate release forms.

3. Parent / caregiver participation is required for maximum benefit from therapy. Homework will be assigned and it will be the responsibility of the parent / caregiver to assist with that effort.

4. Attendance: Parent/guardian is expected to give 24 hour notice for any cancellation of appointments. Advance notification is required in cases of scheduled absences (i.e. family vacations, conflicting medical appointments, surgery, etc.). Tardiness is defined as bringing a child 10 or more minutes late of appointment time. If a client arrives 10 or more minutes late, it will be at the therapist’s discretion to proceed with the therapy session or reschedule the appointment (which will count as a missed appointment). Clients who are tardy, but are seen for therapy, will not receive all scheduled therapy. Missed appointments are considered “no shows” for those that have been confirmed, or attempted to be confirmed using the contact information on file, in which the client family does not arrive for the scheduled appointment and gives no notice to the UCP Center. A late cancellation is defined as less than 24 hour notice of cancellation.

Penalties for absences, tardiness, missed appointments, or late cancellations which may be enforced:

1. An overall absence rate (including cancellations made more than 24 hours in advance) of 50% or more over a three month period may result in loss of any standing appointments and/or discharge from UCP’s Outpatient Therapy program.

2. Missed (“no show”) or late cancellation (less than 24 hour notice) penalties:
   a. 1st missed appointment or late cancellation – no penalty
   b. 2nd missed appointment or late cancellation- $25 charge and loss of any standing appointments (future appointments will be scheduled one at a time)
   c. 3rd missed appointment or late cancellation – $25 charge and discharge from UCP’s Outpatient Therapy program with notification to referral source

5. I understand that siblings are welcome in the Center and that the caregiver is responsible for their care. **Siblings are not allowed in the therapy or work areas of the Center, unless authorized by the client’s therapist.**

6. I understand that the client is responsible for paying any deductible and / or copays on their insurance coverage. Any payment plan set up with UCP is due upon receipt of services. All questions and concerns about insurance, Medicaid or personal pay plans should be addressed to our insurance billing personnel.

7. I understand that I am responsible for any equipment loaned to my minor child or myself. If equipment is not returned within 6 months from date of loan, I will be directly responsible for any costs incurred to replace the item.
