Help our kids shine!

“My ability is greater than my disability.” ~ Nikki Rowe

All-Star Hall of Fame

UCP All-Star of the Month

UCP All-Stars are caring individuals, companies, and organizations who want to help children with disabilities through direct program support. A one-month $1,000 gift enables children ages 12 months to 4 years old to work weekly on targeted skill development, including:

- Increased communication
- Daily living skills
- Following directions
- Strength and coordination
- Social skills, and
- Preschool readiness (counting, coloring, cutting, letters, and more).

Playgroups and Preschool Readiness classes are staffed by teachers, developmental specialists, and caring volunteers with consultation from physical, occupational, and speech-language therapists at the UCP Huntsville Therapy Center.

You Can Make a Difference

The financial support of one UCP All-Star each month will generously underwrite program costs not otherwise covered by fees and reimbursements. UCP All-Stars will help children with disabilities reach their full potential, improve the quality of life for their families, and foster an attitude of acceptance, inclusion and hope.
